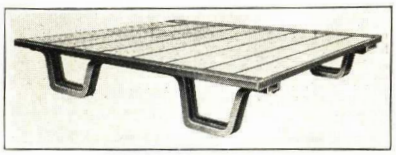
Products

TRUCKS, TRAILERS, SKIDS, BARREL RACKS, STEEL STORAGE RACKS, CASTERS, WHEELS, PLATFORMS and WORK TABLES.

"Maforco" Equipment is the result of over 30 years constant contact and study of the ever changing requirements of industry.

Our Engineering Department is ready to co-operate without obligation on your part.



Skid No. 480

Steel bound throughout — unusually strong and rugged—mounted on continuous 3-in. channel legs.

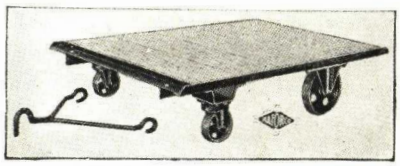
Top of wood or steel.

Sizes, capacities and clearances to suit requirements

End Dump Truck No. 450

Pick-up trailer for carrying talc, soapstone, earth, sand, gravel, ashes, etc.

Any size to suit requirements



Live Skid and Trailer No. 370

Steel bound throughout. Mounted on two swivel and two stationary casters. Top of wood or steel. Furnished with or without trailing feature. In sizes, capacities and clearances to meet requirements

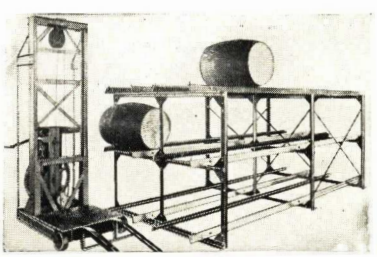
Coal Cars Nos. 346, 347, 348 and 349

"Maforco" hinges eliminate crevices between body and side in both these coal cars. Furnished with one or two drop sides. Drop sides are full length of one side. Illustration shows position when door is open and when closed. Wheels equipped with roller bearings and Alemite lubrication.

The sizes listed below are carried in stock; other sizes can be made to order

DIMENSIONS, CAPACITIES, ETC., COAL CARS NOS. 346, 347, 348 AND 349

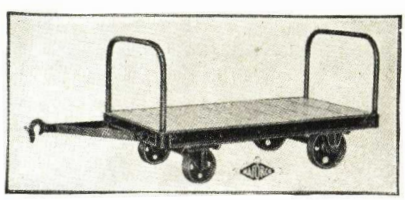
No.	Inside body dimensions, in.			Coal capacity		Wheel base, in.	Diam. by face of wheels, in.	Weight, lb.
	Length	Width	Depth	Cu. ft.	Lb.			
346	54	30	13	10	500	30	14x2½	390
347	60	36	18	20	1000	34	16x2½	480
348	66	40	18	30	1500	38	16x3	710
349	72	40	24	40	2000	38	16x3	830



Barrel Racks and Tiering Machines

Barrel racks furnished 2 to 6 tiers high, any width or length. Built on unit system. Easily set up or relocated.

Tiering machines manually or electrically operated



Trailer No. 365

Steel frame, oak top. Mounted on 10-in. steel swivel casters and 12-in. broad face cast steel wheels.

Stake pockets on ends and sides.

Equipped with Hyatt roller bearings and Alemite lubrication.

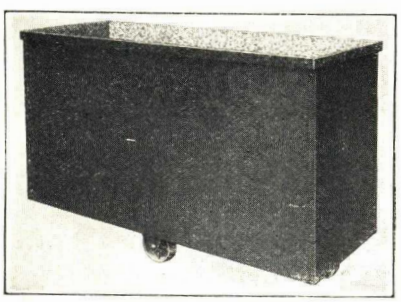
Racks as shown or with one or two cross bars.

Standard size, 3x6 ft.

Side Dump Trailer No. 460

Furnished with either fifth wheel or caster type steering equipment.

Regular stock in 18, 27, 36 or 45-cu. ft. capacity; special sizes made to order

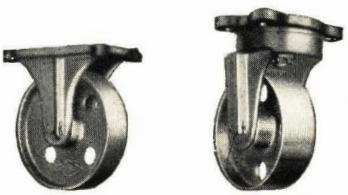


Mill Truck No. 215

We furnish all sizes of steel box trucks for handling bulk material of every description

Heavy Duty Four-wheel Steer Trailer No. 368

4-in. channel frame with steel top. Mounted on steel wheels with 16x3½-in. pressed-on rubber tires. Equipped with Hyatt roller bearings and Alemite lubrication. Platform height, 21 in. Capacity, 8000 lb. Sizes, 2x6 ft. to 4x8 ft.



No. 360 No. 350
